Living Water: Missions Weekend—John 4:3–30

God positions, expects, and empowers us to be active wells of the *Living Water* of Christ in the lives of others every day.

1. Personal

We need the living water Christ offers

» whether or not we realize it

2. Local

Everyone around us needs the living water Christ offers

» whether or not we're comfortable with them

3. Global

Everyone everywhere needs the living water Christ offers

» whether or not we know them at all

4. Generational

**Everyone in the next generation needs the living water
Christ offers**

» whether or not we understand today what they will face tomorrow

How to be an active well for Christ this week:

1. Pray for 3-4 people in your life who need Jesus
2. Engage with one of Calvary's local outreach ministries
3. Learn about and pray for one of Calvary's global ministry partners
