Hosanna in the Highest—Matthew 21:1–11

Palm Sunday

Jesus' triumphant entrance defines true Christian faith

Jesus is the King who comes to bring peace

Any version of 'Christianity' that does not lead you to peace is not true Christian faith

Jesus is the King who comes to bring peace through the blood of the covenant

Any version of 'Christianity' that does glory in the cross is not true Christian faith

- Beware 'Christianity' that downplays sin
- Beware 'Christianity' that denies God's wrath
- Beware 'Christianity' that denigrates the cross
