He Lives—Matthew 28:1–10

Easter Weekend

*Because He lives, I have freedom from my past,
hope for my future, and confidence for today.*

1. Because He Lives...

I Can Face Yesterday with Freedom

- from the wounds of my past controlling me
- from the sins of my past condemning me

2. Because He Lives...

I Can Face Tomorrow with Hope

- calms the fears that can paralyze my life
- quiets the worries that can consume my mind

3. Because He Lives...

I Can Face Today with Confidence

- to intentionally love the people God puts in my path
- to courageously embrace the challenges God allows in my life

Do you have freedom, hope, and confidence because He lives?
