What To Do With Anger—Psalm 109:1–31

Part 6 of a series from the Book of Psalms titled: “It’s OK to Not Be OK”

We get angry when we don’t get what we want

Sometimes our anger entirely aligns with God’s anger and it is righteous

Most of the time our anger is somewhat aligned with God’s anger and it is complicated

Its ok to not be ok: But you don’t have to stay that way
