Much More Than a Coincidence—Esther 5–6

Part 3 of 5 in a study of the Book of Esther

*Every next right step allows us to see more clearly
the random coincidences of life as divine appointments with God.*

Five signs a random coincidence is a divine appointment...

1. **Something that seemed so impossible doesn't seem so impossible anymore** (Esther 5:1–6)

Response: Take the next right step

2. **Timing that seemed so perfect doesn't seem so perfect anymore** (Esther 5:7–8)

Response: Wait when God nudges you to wait

3. **People that seemed so together don't seem so together anymore** (Esther 5:9–14)

Response: Let God deal with other people when you can't or shouldn't

4. **Choices that seemed so disconnected don't seem so disconnected anymore** (Esther 6:1–5)

Response: Remember that God is working even when you don't know He is

5. Outcomes that seemed so inevitable don't seem so inevitable anymore *(Esther 6:6–14)*

Response: Trust God with the results of your next right step
