Our Next Generation—Acts 16:1–40, 1 & 2 Timothy

Part 5 of 8 in the “Calvary Next” Series

God calls us to be disciples who make disciples who make disciples.

We all need a Paul and we all need a Timothy!

1. Invite them to grow with you, not just learn from you

- emphasize wisdom over knowledge
- emphasize becoming over doing
- emphasize understanding over convincing
- emphasize community over tribe
- emphasize journey over destination

2. Show them the real you, not just the you everyone sees

- emphasize heart over hype
- emphasize struggles over successes
- emphasize conviction AND compassion over conviction
OR compassion
- emphasize peace over prosperity

3. Set them up for greater impact than you had, not just a similar one

- emphasize their needs over your needs
- emphasize their generation over your generation
- emphasize their legacy over your legacy
- emphasize your growth over their growth

4. Encourage them to invest in a Timothy, not just be one

- emphasize family over individual
- emphasize character over calling
- emphasize teachable over knowledgeable
- emphasize teamable over capable

Who is your Paul? Who is your Timothy?
