

Calvary is introducing a new **Online Giving** Platform made by a company called *Pushpay*. This new giving platform will become the standard platform for online donations (through your computer) or through the Calvary Westlake APP.

Please [click here](#) to view a short video by Calvary's Loretta Pena and Troy Thornton.

The Calvary APP and Online web page "[Give Now](#)" button will be directed to the new online giving platform *by November 17th*.

**ACTION:** At the time of your next planned online donation to Calvary, please go through the initial set-up process using the new giving platform. It should only take a few minutes. To access the new giving platform through your computer, [click here](#). Or, you can access the giving through the QR code (right) if you are using your smartphone.

**RECURRING GIFTS:** If you have a current recurring gift, **you will need to cancel your gift on the old platform**. We are happy to help you.

**HELP TEAM:** If we can assist you in any way, please **contact the Financial Help team (direct phone: 818-575-2241** Calvary main line: 818-991-8040 x241 [email: finance@calvarywestlake.org](mailto:finance@calvarywestlake.org)) or ask someone on staff, as most have already experienced the set-up process and are ready to help you.

Calvary Westlake

A couple of great benefits of the new system:

- Common Giving Platform > One System & One Password for Online giving and through the Calvary APP giving.
- Very Easy, Very Quick and Very Secure.

We welcome your questions. Most of all, we are very grateful for you and the Calvary family!  
It is a wonderful joy to serve the Lord and His Kingdom together!

Blessings in Christ Jesus, the King of Glory!

Your Calvary Help Team,  
Toni, Jenn, Ken, Paul, Rick and Troy

*By His Grace and to His Praise!*
