The Promise of Unstoppable Grace

—Romans 8:28–30

Part 5 of *Living in the Grip of His Grace—A Study of Romans 8*

Promise #5: The Promise of Unstoppable Grace

God's grace constantly uses everything in my life to make me more like Jesus for God's glory and my ultimate good, not my gain and immediate comfort.

Your Choice in this Journey of Life...

1. To Wither—Intentionally ignore God and His purpose for your life

- No growth in becoming like Jesus
- No peace, joy, or satisfaction
- No one sees Jesus in you

2. To Languish—Unintentionally minimize God and His purpose for your life

- Inconsistent growth in becoming like Jesus
- Lack of consistent peace, joy, and satisfaction
- Few people see Jesus in you

3. To Flourish—Intentionally engage God and His purpose for your life

- Constant growth in becoming like Jesus
- Deepening peace, joy, and satisfaction
- More and more people see Jesus in you

Respond to God's Unstoppable Plan to Make You Like Jesus...

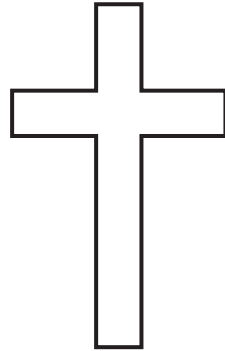

1. Tell God you choose to engage with Him and His purpose for your life
2. Read your Bible and pray every day this week
3. Ask the Holy Spirit to show you how to be more like Jesus every day
4. Tell a Christian friend you intend to flourish and need their prayers and input
