Letting God Be God

— 1 Samuel 24 & 26

Part 5 in a Sermon Series on the Life of David

Letting God be God is not about
passively giving up and drifting through life;
it's about actively engaging with God and trusting in Him.

1. Be Clear About Your Reality

- Focus on what you know when your impulse is to make up what you believe

2. Be Patient in Your Journey

- Step back and wait when your impulse is to rush in and act

3. Be Wise in Your Choices

- Listen to what God says when your impulse is to latch onto what others think

4. Be Merciful in Your Responses

- Reach out with kindness when your impulse is to lash out in revenge

5. Be Bold in Your Walk

- Step forward by faith when your impulse is to shrink back in fear

So...

1. Walk with God daily
2. Be kind to others no matter what
3. Take the next right step
